

SUCCESSFUL, QUALITY AGITATION.

Long Reach Agi

AGI Cornell

Consistently brings solids into suspension for removal, mix & delivery.

Agitation trailers tackle the most common hurdles associated with deep pits and other hard-to-reach areas. We designed our agitation trailers to help you increase your profits, efficiency and allow you to empty the entire pit.

LONG REACH AGI FEATURES

- ✓ 50 reach with two-stage boom retraction
- ✓ Heavy-duty 25" slewing drive
- ✓ Durable nylon skid pads for reduced maintenance
- ✓ High and low agitation nozzles with 180 degrees of rotation
- ✓ Independent hydraulic nozzle gate valves
- ✓ Switch from agitation to transfer mode without shutting down

AGI CORNELL FEATURES

- ✓ Fits all pumps up to 13 feet
- ✓ Fast and easy to transport and setup
- ✓ Top load-out port: transfer or fill wagons
- ✓ High pressure blasts bottom solids into suspension
- ✓ Two (2) independently gated nozzles rotate 180 degrees
