

SUCCESSFUL, QUALITY AGITATION.

AGI 1704 S

AGI 1708 S

Consistently brings solids into suspension for removal, mix & delivery.

Agitation trailers tackle the most common hurdles associated with deep pits and other hard-to-reach areas. We designed our agitation trailers to help you increase your profits, efficiency and allow you to empty the entire pit.

AGI TRAILER FEATURES

- ✓ Fits pits up to 13'
- ✓ Fast and easy to transport and setup
- ✓ Top load-out port: transfer or fill wagons
- ✓ High pressure blasts bottom solids into suspension
- ✓ Two (2) independently gated nozzles rotate 180°
