GASYN-CHEM

Industrial Maintenance and Washdown

Maintenance is made easy with the GASyn-CHEM. Made as a flexible layflat washdown hose with the durability and abrasion resistance of a heavy-duty rubber hose. The hose is lightweight and easy to handle. GASyn-CHEM features our unique through-the-weave one-piece construction that will not delaminate. Reinforced with a nitrile rubber cover encasing, the hose lining is resistant to heat, ozone, fuels, chemicals, and oil. The properties of the hose are such that it will not mildew or rot.

APPLICATIONS:

- Water transfer
- In-plant maintenance
- Outdoor maintenance

*Backed by Bulldog's Industrial Hose
Two-Year Warranty.

AMERICAN MADE TOUGH.™

FEATURES:

Maintenance-Free Hose
Designed for a long life and maintenance-free service. Is easy to clean and doesn't need drying after use.

Durable Construction
Features a unique through-the-weave one-piece construction that will not delaminate.

Extreme Durability
Long-term storage in coiled configurations will have minimal impact on hose life. High quality materials provides superior abrasion resistance

Operator Temperature Range
-36°F to +158°F (-37°C to 70°C)

Additional Hardware
Factory installed couplings.

ULC
Available on 1-1/2" and 2-1/2".

TECHNICAL SPECIFICATIONS:

Size		Pressure				Bowl Size	Weight (50'/15M)		Coil Diameter (50'/15M)			
		Service		Proof							Burst	
inch	mm	psi	kpa	psi	kpa	psi	kpa	inch	lbs	kg	inch	mm
