

HI-VOL TPU XLDH

Large Diameter Supply Hose

BullDog Hi-Vol TPU XLDH provides an extreme level of performance for a large diameter supply hose. The hose features a through the weave one piece construction with a high tenacity polyester woven jacket encapsulated in a tough polyurethane cover and lining. The XLDH hose is designed specifically to handle the rigors of the fireground. BullDog utilizes state of the art components that limit elongation and provide superior abrasion resistance during fire operations.

UNIQUE DESIGN FEATURES:

- High-visibility safety material
- Superior resistance to abrasion, punctures, and cuts
- Easy to deploy
- Kink resistant
- Nearly zero elongation

HI-VOL TPU XLDH

FEATURES:

Superior Abrasion Performance

TPU cover increases abrasion resistance, eliminates additional weight issues caused by water pick up during use, and provides exceptional chemical resistance.

Exceeds Standards

Hi-Vol TPU XLDH is manufactured to meet or exceed the NFPA 1961 standard.

Minimized Friction Loss

Extruded-through-the-weave TPU construction and ultra-smooth liner minimize friction loss, improving water flow.

Long Service Life

Hi-Vol TPU XLDH kept in a coiled configuration can be expected to provide dependable service for up to 15 years.

Increased Visibility

Hi-Vol's green color provides enhanced safety with visibility on the fireground.

Available in 7-1/4", 8", and 10" Diameter Supply
