

SUPER MARSHALL

Rubber Forestry Hose

Super Marshall is a nitrile rubber covered forestry fire hose that requires no washing or drying. It is impervious to mildew. A protective rubber covering resists burns and prevents damage of the textile reinforcement which may be caused by abrasion or hot embers. For maximum visibility in the field, the standard color for Super Marshall is yellow.

UNIQUE DESIGN FEATURES:

- One-piece construction that will not delaminate
- Rubber cover for abrasion and heat resistance
- Rubber liner provides low friction loss
- No washing or drying
- Kink resistant
- Resists burning
