BullDog HOSE COMPANY™

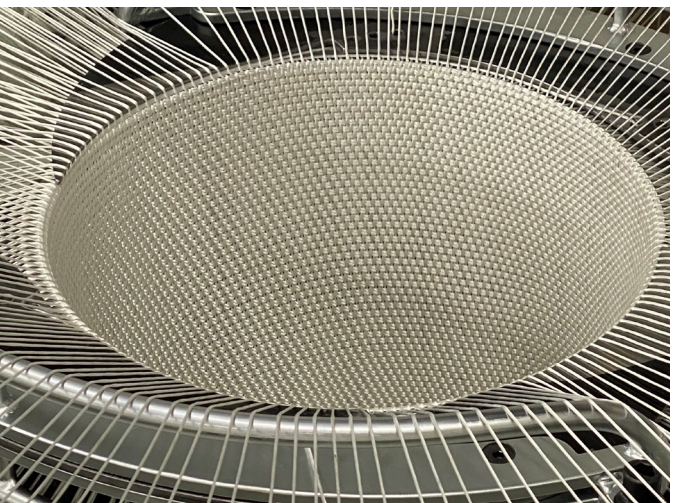
AIR RAID

Lay Flat Air Hose

Air Raid hose is a lay-flat air hose designed for improved handling and long-term service. Air Raid features a through the weave nitrile-PVC rubber hose encapsulated by a high-tech nylon-polyester outer jacket. Air Raid offers excellent packability and superior kink resistance. After you use Air Raid, you will never want to go back to your old-style air hoses again.

UNIQUE DESIGN FEATURES:

- Hybrid construction offers great flexibility
- Operating temperature -36° to +158° Fahrenheit
- Improved packability and lighter weight as compared to conventional air hoses
- High-quality raw materials and product construction offers excellent abrasion resistance and long life
- Resistant to a wide range of chemicals, including diesel and gasoline



Backed by BullDog's Municipal Fire Hose Ten-Year Warranty.

AMERICAN MADE TOUGH.™

AIR RAID

AMERICAN MADE TOUGH.™

FEATURES:

Lowest Friction Loss
Superior efficiency in the field, delivering more air with less kinking.

Best-in-Class Adhesion
Provides enhanced hose performance and increased hose life.

Improved Packability
Compact and flexible.

Lay-Flat Design
The flexibility of Air Raid's lay-flat design allows for ease in packing, unpacking and handling, delivering more efficiency to your operation.

Superior Abrasion Performance
Through the weave nitrile-PVC rubber hose is encased in a nylon-polyester jacket that increases abrasion and chemical resistance.

Standard Color is Yellow
